

Official newsletter of the State Association of Fire and Emergency Districts

Get your message out to decision-makers in Texas emergency services districts and fire departments.

SAFE-D Pen, the official newsletter of the State Association of Fire and Emergency Districts, is mailed to more than 1,100 recipients, from Amarillo to Brownsville, from El Paso to Texarkana.

With critical information about the ever-changing world of Texas emergency services, SAFE-D Pen reaches the audience you need to reach — decision-makers in grassroots governments charged with providing fire protection and emergency medical first-response.

We offer substantial discounts for multiple buys, so it makes sense — and dollars — to be in every SAFE-D Pen newsletter.
