What is an ESD?

- ESDs are local political subdivisions that may provide fire, rescue, EMS and other emergency services
 - Governed by 5 commissioners appointed by County Commissioners Court - except in Harris, Orange and Smith Counties and multi-county ESDs, where they are elected
 - Primarily funded by property taxes not to exceed \$0.10

Basics

- Local Governmental Entity
 - Taxation
 - Open Meetings
 - Open Records
 - Fiscal Accountability
 - Limits on Authority (The Statutes)
 - Restrictions on Public Officials

Ad Valorem Taxes

- Constitutional Cap of 10 Cents for each ESD
 - Harris County/Former RFPD/Former 776 ESD Specific Issues
- Truth-in-Taxation Process
 - Notice and Hearings if exceed Effective Rate
 - Small Taxing Unit (<\$0.50 and <\$500K)
- Rollback Elections
 - 108% of Previous Effective O&M Rate

Open Meetings Act

- Chapter 551, Texas Government Code
- Attorney General Approved Training Required
- Open Meetings Made Easy
- Open Meetings Handbook
- https://www.oag.state.tx.us/open/publications_og.shtml

Open Meetings

- 72 Hours Notice of meeting (unless emergency)
- Notice must state time, date and place of meeting
 - ESDs post with County Clerk and at ESD administrative office
- Notice must describe matters to be discussed sufficiently
- Public has right to attend

Audit

- A district located wholly in one county shall prepare and file with the commissioners court of the county on or before June 1 of each year an audit report of the district's fiscal accounts and records. *
- The person who performs the audit and issues the report must be an independent certified public accountant or firm of certified public accountants licensed in this state.

*except Harris County - 30 days after receipt.

New Audit Exemption

- ESDs with no bonds and less than \$250,000 in revenues and investments can prepare compiled financial statements instead of audit.
- Filing must be accompanied by an affidavit “attesting to the accuracy and authenticity of the statements.”
- Same filing deadlines and consequences apply.
- Most basic level of financial statement review that a CPA can provide

Audits

- If a district fails to complete and file the required audit report by September 1 and a county auditor is not ordered to prepare the report, the board president and treasurer are automatically removed and the commissioners' court is required to fill the vacancies.
- Only applies to district in a single county, and not in Harris County.

Bidding

- A district must submit to competitive bids an expenditure of more than \$50,000 for one item or service or more than one of the same or a similar type of item or service in a fiscal year.
 - A district may solicit bids for lesser amounts as well.

Bidding - Exceptions

- the purchase or lease of real property
- an item or service that the board determines can be obtained from only one source
- **a contract for fire extinguishment and suppression services, emergency rescue services, or ambulance services**
- purchase of vehicle fuel
- the purchase of insurance

Bidding - Exceptions

- **purchase of bunker gear**
- an emergency expenditure
- contract with state to participate in general services commission state purchasing program
- purchases made pursuant to local government co-op purchasing program
- purchases made under federal supply schedules of the United States General Services Administration

Types of ESD Operations

“If you have seen one ESD, you have seen one ESD”

- Volunteer Departments
 - Volunteers have other jobs in local community
- Combined Departments
 - Paid staff to cover shifts when volunteers are out of community at work
- Employee Departments
 - Insufficient volunteer manpower to meet call volume demands of service area
